Report on Vachan Sankalp Maharashtra

To emphasize the importance of reading among students, the Maharashtra government launched the '**Vachan Sankalp Maharashtra**' initiative, encouraging all colleges to adopt it. Oriental College of Education and Research enthusiastically implemented this initiative to foster a love for reading among its students.

As part of the program, a **Books Exhibition** was organized on January 14, 2025, in the college. A wide variety of books, including those on education, motivation, comics, novels, and entrance exams, were displayed. Both B.Ed. and degree students, along with the principal and faculty members, actively participated in the event. The exhibition provided students with an opportunity to explore different genres, learn about the types of books available, and understand how to manage and use them effectively.

On January 15, 2025, a **Group Reading Activity** was conducted. Students were provided with books based on their interests and were encouraged to read them with enthusiasm. This activity aimed to create an engaging and interactive reading environment.

Through these efforts, the 'Vachan Sankalp Maharashtra' initiative was successfully implemented in our college, inspiring students to recognize the value of reading and make it a part of their daily lives.
