National Water Mission

Date: 22nd-26th March

Time: 10:00 AM to 12:00 PM

Organized by: Oriental College of Education and Research (Andheri)

Objectives of the Event:

- To create awareness about the significance of water conservation.
 - To educate students on sustainable water usage.
 - To encourage collective action for preserving water resources.
-
- **Introduction:** Between the 22nd March and 26th March, students from **Oriental College of Education and Research (Andheri)** hosted the **National Water Mission Event** as part of the **World Water Day** celebration (celebrated annually on 22nd March) at different schools. The event, held from **10:00 AM to 12:00 PM**, aimed to raise awareness about the importance of water conservation and sustainable water management. The program included a series of interactive activities and educational sessions to engage and inform students about the global water crisis.

Program Highlights:

1. **Awareness Presentation:** Students from **Oriental College of Education and Research (Andheri)** organized an informative presentation on the **global water crisis**, focusing on statistics, causes of water scarcity, and practical solutions. Visual aids and real-life examples were used to make the session engaging and impactful.
2. **Interactive Activities:**
 - **Poster Competition:** Students showcased their creativity through a poster-making competition on the theme “**Save Water, Save Life.**” Winning posters were displayed prominently to spread the message.
 - **Model-Making Competition:** Students made models that focused on the importance of water conservation and the overall water environment and used slogans such as “**Save Water, Save Life,**” “**Say No to Water Pollution,**” “**Save Water, Secure the Future,**” and “**Every Drop Counts.**”
 - **Quiz Competition:** An interactive quiz was organized to test students’ knowledge about water conservation. Participants received certificates of appreciation.

- **Essay Competition:** Students wrote essays about water-saving habits.
- 3. **Pledge Ceremony:** A collective “**Save Water**” pledge was taken by all attendees, reinforcing their commitment to responsible water usage in daily life.
- 4. **Tree Plantation Drive:** To conclude the event, a **tree plantation drive** was conducted within the school premises. Students actively participated by planting saplings to symbolize their dedication to a greener future.

Impact and Feedback: The event successfully engaged students in meaningful discussions about the value of water and ways to conserve it. Participants expressed their enthusiasm and appreciated the interactive format. Teachers from the above-mentioned schools and/or colleges commended the efforts of the students from **Oriental College of Education and Research (Andheri)** for their dedication and active involvement in promoting environmental consciousness.

Conclusion: The National Water Mission Event as part of the **World Water Day** celebration conducted at different schools was a resounding success. The collaborative efforts of **Oriental College of Education and Research (Andheri)** students and the school community effectively highlighted the importance of conserving water resources for future generations. The event not only raised awareness but also inspired positive action towards sustainable water management practices.
