## **Report on Founder's Day Celebration**

**Date:** 1st October 2024

**Venue:** Seminar Hall, Oriental College of Education and Research

**Time:** 11:00 AM onwards

On 1st October 2024, the Oriental College of Education and Research commemorated Founder's Day in memory of the late Dr. Javed Khan, whose contributions and vision have been a guiding light for the institution. The event took place in the Seminar Hall at 11:00 AM and brought together students, faculty, and guests to pay tribute to the legacy of Dr. Khan.

The program began with a documentary showcasing the life and achievements of Dr. Javed Khan, reflecting his dedication to education and the betterment of society. The documentary highlighted key moments from his journey, providing an inspiring glimpse into his values and the impact he made.

The Chief Guest, Ms. Surekha Nair, shared her personal experiences and fond memories of Dr. Javed Khan. Her heartfelt reflections gave the audience insight into his compassionate personality, leadership, and commitment to the community. Ms. Nair's anecdotes painted a vivid picture of Dr. Khan's enduring influence on those who had the privilege of working with him.

Following the Chief Guest's address, President Ma'am delivered a short yet impactful speech. Her words echoed the theme of the day, emphasizing the importance of continuing Dr. Khan's mission of fostering education and social responsibility. She expressed her gratitude to everyone involved in the college's journey and motivated students and faculty to carry forward the torch of excellence.

The event concluded with a vote of thanks, acknowledging the efforts of all participants and attendees in making the Founder's Day celebration a success.

In addition to the main program, S.Y.B.Ed. students actively participated in a community work initiative on the same day. Under the theme "*Crafting a Sustainable Future*," they visited Cheshire Home, a care facility for differently-abled children, and conducted various creative activities. These included paper bag and envelope making, flower crafting, diya decorating, and kandil (lantern) making. This hands-on engagement not only brought joy to the children but also promoted the idea of sustainability and environmental consciousness through the use of eco-friendly materials.

The Founder's Day celebration was a meaningful and memorable occasion, honoring the legacy of Dr. Javed Khan while inspiring the next generation to contribute to society through education and compassion.
