The Alumni Meet organized on 3rd May 2025 at Lecture Hall 201 was a heartfelt and memorable gathering that brought together former students across five batches. The event began at 10:00 AM with a warm welcome address by the Principal, who highlighted the college's recent achievements and emphasized the vital role alumni play in institutional development.

The program provided an excellent platform for alumni to reconnect with faculty and peers, reminisce about their formative years, and share their current professional journeys. Alumni speakers expressed gratitude towards their alma mater and offered constructive feedback and ideas for further advancement.

Interactive sessions by current students—including performances, presentations, and informal conversations—added a dynamic energy to the event. These sessions also allowed students to gain insights from alumni and build valuable mentorship connections.

As a gesture of appreciation, the college presented mementos to all attending alumni. A group photograph captured the joyful reunion, after which guests were invited to enjoy refreshments and engage in informal networking.

The event was a resounding success in fostering community spirit, renewing connections, and laying the foundation for future collaborations. The institution looks forward to maintaining

regular contact with its alumni and involving them in various academic and developmental initiatives.
