Report on Blood Donation Special Assembly

Date: 14 June 2025

Time: 10:00 AM to 10:30 AM

Venue: Class 401

Organized by: Guidance and Counselling Cell of Oriental College of Education of Research (Andheri)

Introduction: On 14th June 2025, **Oriental College of Education and Research (OCER, Andheri)** conducted a Special Assembly on Blood Donation, which was organized by the **Guidance and Counselling Cell**. The special assembly, conducted from **10:00 to 10:30 AM**, aimed to understand and raise awareness about blood donation. In the session, students discussed blood donation, its benefits, criteria for blood donation, the blood donation process, and safety measures undertaken during blood donation.

Objectives of the Assembly:

- To understand blood donation and its benefits and raise awareness.
- To understand the criteria for blood donation.
- To understand the blood donation process and safety measures.

Program Highlights:

1. **Welcome:** Our host Anshu welcomed the faculty present for the special assembly.
2. **Prayer:** The special assembly commenced with a prayer by **Ritu**.
3. **Presentation:** Next, Anshu introduced blood donation, and Anthea explained the benefits of blood donation. Next, Shivam discussed the blood donation process. Sneha discussed the safety measures during blood donation. Mahek gave a vote of thanks. The assembly ended with the National Anthem.

Impact and Feedback: The session provided crucial information about blood donation, its benefits, and criteria for blood donation, the blood donation process, and safety measures undertaken during blood donation. Participants appreciated the informative session. **The Guidance and Counselling Cell of Oriental College of Education and Research (Andheri)** is appreciated for organizing this session for raising awareness about blood donation.

Conclusion: The **Blood Donation assembly** conducted at **Oriental College of Education and Research (Andheri)** was a resounding success. This session not only raised awareness about blood donation but also inspired students to donate blood in the future to save lives.
