Course Title: *Innovative ICT and AI Tools for Educators: Fostering Creativity & Professional Excellence*

Organized by: Oriental College of Education & Research, Andheri (W)

Target Group: B.Ed. First Year (FY) and Second Year (SY) Students

Mode: Hybrid (Physical + Zoom)

Course Duration: 36 Hours

Start Date: 19th October 2024

Objective of the Course:

To empower B.Ed. students with practical knowledge and skills in using free and accessible ICT and AI tools for enhancing creativity, digital literacy, and professional competence in teaching and learning.

Action Taken Summary:

1. **Course Launch and Orientation (19th Oct 2024):**

The course commenced with an introductory session outlining the objectives, structure, tools covered, and mode of instruction.

Separate orientation was conducted for FY and SY batches in both physical and Zoom formats.

2. **Mode of Delivery:**

- **Offline Sessions:** Hands-on training in the computer lab for tools like Canva, Google Workspace, Audacity, OBS Studio, etc.
- **Online Sessions (Zoom):** Live demonstrations and guided practice on AI tools such as ChatGPT, QuillBot, Grammarly, and Kahoot.
- **All recordings and resources** were made available via Google Classroom.

3. **Participation:**

- Over **40+ B.Ed. students** (FY & SY) actively participated.
- Students were grouped for collaborative projects and tool-based assignments.
- Weekly reflections and feedback forms were collected to monitor learning progress.

4. **Key Tools Practiced:**

- **AI Tools:** ChatGPT, Grammarly, QuillBot, Bing Image Creator
- **Presentation Tools:** Canva, Prezi, Powtoon
- **Assessment & Engagement:** Kahoot, Mentimeter, Google Forms
- **Classroom Management:** Google Classroom, ClassDojo
- **Automation Tools (Introductory):** Zapier, Automate.io

5. **Assessments and Certification:**

- Formative assessments through quizzes, peer-reviewed assignments, and tool-based project work.
- End-of-course quiz to evaluate tool knowledge and application ability.
- **E-Certificates issued** to all participants who completed minimum attendance and project submissions.

6. Feedback and Reflections:

- Students reported improved confidence in using ICT tools for creative teaching.
- Many FY students expressed interest in integrating tools into microteaching practice.
- SY students found AI tools helpful for lesson planning and internship documentation.

7. Suggestions Implemented:

- Based on mid-course feedback, more live demos were added.
 - Additional open Q&A sessions were held for tool-related doubts.
-

Outcome:

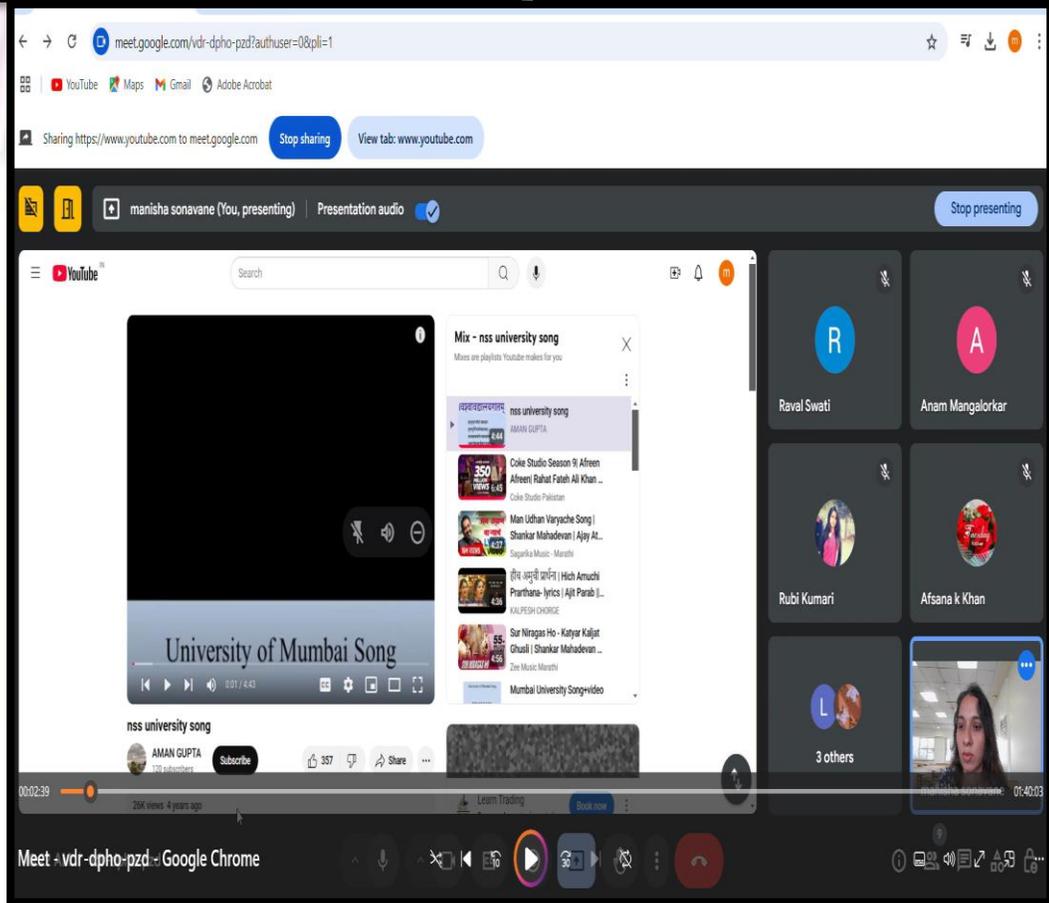

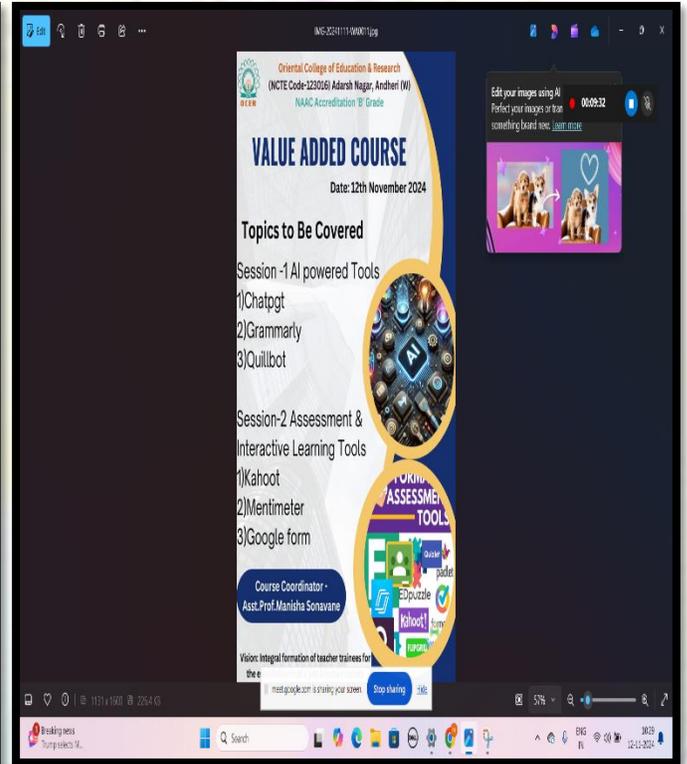

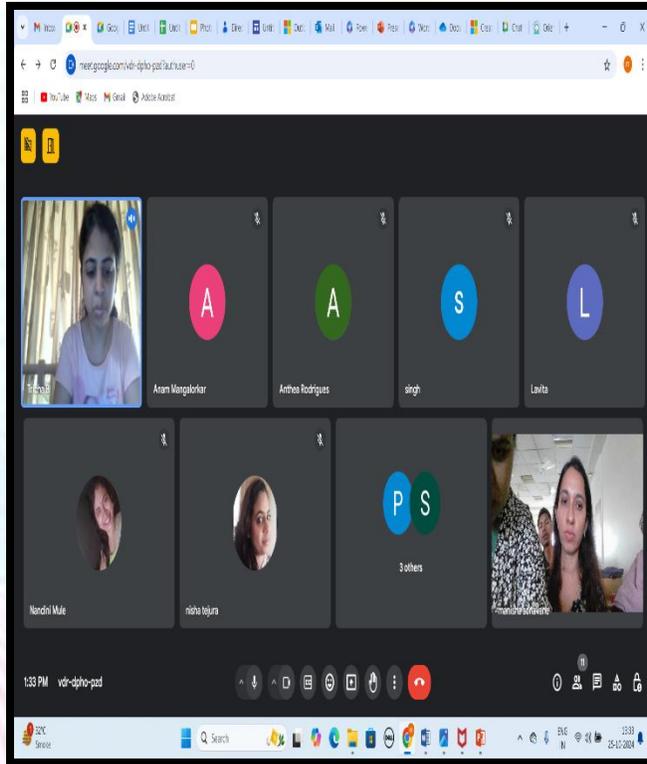

The course successfully fulfilled its goal of introducing innovative, practical, and student-friendly ICT and AI tools to future educators. It promoted digital fluency and pedagogical creativity, preparing students for tech-integrated classrooms.
