Oriental College of Education & Research
UGC NCTE Approved, Affiliated to University of Mumbai,
(NCTE Code- 123016)
Adarsh Nagar, Andheri (W)
NAAC Accreditation 'B' Grade

Date: 5th September

Time: 11:00 PM to 1:00 PM

Venue: Oriental College of Education and Research (Andheri)

Organized by: Student Council of Oriental College of Education of Research (Andheri)

Introduction: On 5th September, **Oriental College of Education and Research (OCER, Andheri)** celebrated **Teacher's Day**, which was organized by the **Student Council** from **11:00 AM to 1:00 PM**.

Objectives:

- Celebrate **Teacher's Day**
- Understand the significance of observing Teachers Day on 5th September
- Honor our teachers for their hard work and dedication in playing a key role in building our nation.

Program Highlights:

S.Y.B.Ed. students of Oriental College of Education and Research celebrated **Teachers Day**. In India, **5th September** is observed as **Teacher's Day** every year to honour teachers and their contribution to society. The date was selected because it marks the birth anniversary of **Dr. Sarvepalli Radhakrishnan** (1888–1975), who was a great philosopher, scholar, teacher, and the second President of India.

When Dr. Radhakrishnan became the President in 1962, some of his students and friends requested to celebrate his birthday. Instead of a personal celebration, he suggested that the day should be observed as Teacher's Day to honour all teachers. Since then, 5th September has been celebrated

across India as Teacher's Day. A welcome dance was performed by the group. Lamp lighting was conducted by our Principal Madam Dr. Priyanka Pandey and the faculty present. Aliza shared with the students why the 5th September is observed as Teacher's Day. A group of students participated in singing. Anisha shared a speech by students. Lavita delivered a speech for the teachers. Aarti recited a poem "**Teachers a true blessing**" on Teacher's Day. Faiza initiated a game of Pictionary. The faculty professors were taken down memory lane by displaying their photographs taken during different events from the start of our academic program. Faiza conducted a game "**Trust your Partner,**" followed by cake cutting. The celebration ended with presentation of greeting cards for our professors. All of our professors gave a speech. Sejal shared a vote of thanks to our Principal Madam Dr. Priyanka Pandey, our professors, and all of the students present for the celebration.

Conclusion: Teacher's Day celebration at **Oriental College of Education and Research (Andheri)** was conducted to recognize the hard work and dedication of teachers in shaping students' lives, to highlight the important role of education in building society and the nation, and to encourage students to show respect and gratitude towards their teachers.
