Introduction

A seminar on **Cyber Crime Awareness and Prevention** was organized by Oriental Education Society's College of Arts, Commerce and Science in collaboration with Oriental College of Education and Research (OCER) Andheri. The seminar was conducted with the objective of creating awareness among students about the growing menace of cyber crime and the importance of cyber safety in the digital age.

The programme was graced by distinguished officials from the Police Department, who shared their expertise and real-life experiences related to cyber crime prevention and control.

Objectives

- To create awareness about various types of cyber crimes
- To educate students about cyber frauds and digital threats
- To inform participants about preventive measures for safe online practices
- To sensitize students about the role of law enforcement agencies in cyber crime control

Programme Highlights

The seminar was honored by the presence of the following dignitaries:

- **Mr. Konde**, Senior Inspector of Police, Oshiwara Police Station

- **Mr. Prabhat Mankar**, Police Inspector, Oshiwara Police Station
- **Mr. Deore**, Sub-Inspector, Oshiwara Police Station

The speakers explained different forms of cyber crimes such as online frauds, financial scams, identity theft, digital arrest scams, and cyber misuse on social media platforms. They emphasized the importance of remaining alert and vigilant while using digital technologies.

Practical safety guidelines were shared with the participants, including:

- Avoiding suspicious links and unknown messages
- Protecting personal and financial information
- Using strong and secure passwords
- Being cautious while engaging in online transactions

The session was interactive and informative, allowing students to gain clarity on cyber safety and legal support mechanisms.

Conclusion

The seminar on **Cyber Crime Awareness and Prevention** was highly informative and relevant in today's technology-driven world. It helped students understand the seriousness of cyber crimes and the need to adopt safe online practices. The programme successfully fulfilled its objective of spreading awareness and encouraging responsible digital behavior among students.
