

Report of PLAT Test

Date: 12 September 2026

Time: 11:00 am to 11:30 am

Venue: Oriental college of Education and Research, Lecture Hall (Room No. 401)

Introduction: On 12th September 2026, Oriental College of Education & Research (OCER), Adarsh Nagar, Andheri (West), organized the Progressive Learning Assessment Test (PLAT). PLAT is an AI-powered job-readiness skill assessment designed to evaluate students' skills and prepare them for future career opportunities. The activity provided students with an opportunity to understand their strengths and areas that require improvement.

Objectives

- To assess students' learning and job-readiness skills.
- To identify students' strengths and areas for improvement.
- To develop students' confidence and preparedness for future employment.
- To provide exposure to AI-powered assessment methods.

Program highlight:

The PLAT assessment was conducted in a systematic manner, allowing students to participate in an AI-powered skill assessment. The test focused on evaluating various skills required for academic and professional development.

Students actively participated in the assessment and gained an understanding of the importance of skill development and continuous learning. The activity also helped students become familiar with technology-based assessment methods.

The assessment encouraged students to reflect on their abilities and understand the areas where they can improve. It provided useful exposure to modern methods of evaluating job-readiness and professional skills.

Conclusion:

The Progressive Learning Assessment Test (PLAT) was a useful and informative activity. It helped students understand their present skill levels and the importance of developing skills required for their future careers. The assessment also encouraged students to become more confident, aware, and prepared for future employment opportunities.
