

Free Health Check-up Camp Report

Date: 23rd August 2026

Time: 09:00 a.m. to 01:30 p.m.

Venue: Ground of Oriental College of Education and Research, Andheri

Organized by: Oriental College of Education and Research (OCER) in collaboration with OIS, OCCM, and Lions Club

Introduction

A Free Health Check-up Camp was organized on 23rd August 2026 at the campus of Oriental College of Education and Research, Andheri, in collaboration with OIS, OCCM, and the Lions Club. The camp aimed to promote health awareness and provide essential medical services to students, staff members, and members of the local community. The initiative received an overwhelming response and successfully benefited a large number of participants.

Objectives

- To provide free and accessible healthcare services to the community.
- To create awareness regarding preventive healthcare and early diagnosis of diseases.
- To encourage regular health check-ups and healthy lifestyle practices.
- To support individuals in need through free medical consultation and services.

Program Highlights

- The health camp was conducted from 09:00 a.m. to 01:30 p.m. and witnessed active participation from students, staff, and community members.
- A total of 225 beneficiaries availed themselves of the various healthcare services provided during the camp.
- Eye Check-up Services were offered by qualified professionals, and needy beneficiaries were provided with free spectacles.
- Dental Check-ups were conducted to assess oral health and provide guidance on dental care.
- Diabetes Screening was carried out to help participants monitor and manage their blood sugar levels.

- Consultations with a General Physician were provided, enabling participants to receive medical advice and recommendations for their overall well-being.
- Following the completion of the health services, snacks were distributed to all the beneficiaries and volunteers

Conclusion

The Free Health Check-up Camp was a highly successful initiative that contributed to the well-being of the community by providing essential healthcare services at no cost. The collaboration between OCER, OIS, OCCM, and the Lions Club ensured the smooth execution of the program. The camp not only benefited 225 participants but also reinforced the importance of preventive healthcare and community service.
