Introduction

On 26th September 2026, Oriental College of Education & Research (OCER), Adarsh Nagar, Andheri (W), organised a Beach Cleaning Drive under the DLLE Club in collaboration with the Lions Club. The initiative was organised with the theme “Cleaner Beaches, Healthier Oceans – A Greener Tomorrow.” The programme aimed to create awareness among students about environmental conservation, cleanliness, responsible waste management, and the importance of protecting beaches and marine ecosystems.

Objectives

The Beach Cleaning Drive was organised to create awareness about the importance of maintaining clean and healthy beaches. It aimed to encourage students to take responsibility for their surroundings and understand the importance of proper waste disposal. The activity also focused on developing environmental consciousness, teamwork, cooperation, community participation, and a sense of social responsibility among the students. It provided them with an opportunity to learn through practical involvement in an environmental initiative.

Programme Highlights

The Beach Cleaning Drive was conducted at Aksa Beach, Malad, at 7:30 a.m. Students and participants enthusiastically took part in cleaning the beach and maintaining its surroundings. The activity was organised under the DLLE Club in collaboration with the Lions Club. Participants were encouraged to wear white clothes with a white hat and were advised to carry their own water bottles and wear gloves and comfortable shoes. The drive promoted the message of keeping beaches clean and green and highlighted how collective efforts can contribute towards a healthier environment. The activity also helped students develop teamwork, cooperation, discipline, and civic responsibility through practical community service.
