Date: 3rd October 2026,

Venue: Oriental College of Education, Andheri Lecture Hall (Room No. 401)

Participants: Second -Year B.Ed. Students

Time: 10:15 am. Onwards

Introduction:

A Cleanliness Drive was organised in our college as part of DLLE Activity 2 to promote cleanliness, hygiene and social responsibility among students. The activity was conducted under the theme of Swachh Bharat, encouraging students to actively contribute towards maintaining a clean and healthy college environment.

Objectives:

- To create awareness about the importance of cleanliness and hygiene.
- To develop a sense of responsibility towards maintaining a clean environment.
- To encourage teamwork and cooperation among students.
- To promote the values of Swachh Bharat and social responsibility.
- To maintain cleanliness in different areas of the college.

Programme Highlights:

The cleanliness drive began with the participation of students who were divided into different groups and assigned various areas of the college. Students actively took part in cleaning and organising the premises.

Some students were involved in cleaning the classrooms, ensuring that the rooms were neat and properly arranged. Another group cleaned the library, while some students took responsibility for cleaning the girls' common room. The students worked together with enthusiasm and cooperation to remove dust, waste and unwanted materials from their respective areas.

The activity not only helped in maintaining cleanliness in the college but also created awareness among students about the importance of keeping their surroundings clean. It provided students with an opportunity to understand that cleanliness is a collective responsibility.

Learning Outcomes:

The Cleanliness Drive was a meaningful and successful activity. It encouraged students to take responsibility for their surroundings and understand the importance of cleanliness and hygiene. The active participation of students made the programme effective and enjoyable. The activity also strengthened the values of teamwork, discipline, cooperation and social responsibility among the students.

Overall, the cleanliness drive gave us the message that a clean campus leads to a healthy and positive learning environment.
